Yusra Fatima

Tech-Savvy Learner | Finance Student | Bridging Technology and Finance

Karachi Division, Sindh, Pakistan

Summary

I'm currently on an exciting journey of learning software engineering, combining it with my studies towards a Bachelor's degree in Finance. This unique blend of technology and finance is equipping me with a diverse skill set that I'm eager to apply in the real world.

Education

Federal Urdu University of Arts, Science & Technology, Karachi.

Bachelor's degree, Accounting and Finance · (February 2023 - February 2026)

Governor Sindh Initiative for GenAI, Web3, and Metaverse

· (February 2024 - February 2025)
